VOTE: STRONG UNION, STRONG CONTRACT!

The L.A. Teachers Union is demanding a 17.6% raise starting this year. In SDUSD, the School Police Union, the Classified Union and Cindy Marten all got a 7% raise in the past year. And the Principals Union got a 5% raise this year. What did our union get? SDEA got 2%.

IT'S TIME FOR STRONGER LEADERSHIP. WE WILL!

- **BARGAIN TO WIN.** We will fight for a *substantial raise on top* of our delayed salary restorations. We will keep fully paid family healthcare off the table. We will unite our union behind *all* of our members' priorities.
- **KEEP SDEA TRANSPARENT.** We should all know when and how important union decisions are made. We support more member training and communication, plus full reports on any conversations with the district.
- **INCREASE UNION DEMOCRACY.** We will involve our members in every step of the bargaining process. We will listen to you. We will come to you *before* making big decisions that impact all 7,000 of us. Period.
